Hi Cary-

I'm guessing that I'm on call for this trial, which is scheduled for tomorrow, June 2nd, 2010. Please let me know if this is not the case, or if it has been resolved/continued/etc. Thanks.

Hi Sonja,

Yes, on call is perfect for all the cases. Thanks for keeping me posted, I really appreciate it.

Best,

Cary-

I received an email from the ADA in Northampton saying that I do not need to be there on Wed. as both the ADA and defense atty in that case "anticipate this case resolving", so I'm available for both of your cases in Springfield. I'll assume that I'll be on call for both unless I hear differently from you.

Hi Sonja,

I had hoped that this case (there's actually 2, [REDACTED] and a co-defendant, [REDACTED]) would be continued because there was a motion to suppress pending -- however, I just got the judge's decision denying the motion to

suppress today. So this one, along with [REDACTED], are still possibilities for Wednesday. If you hear anything else about the Northampton case let me know.

Best,

Cary

Hi Cary-

I received your summons for the [REDACTED] trial scheduled for April 14th earlier today and wanted to remind you that, as with the [REDACTED] case, I already have a trial scheduled in Northampton that day. I have made contact with the ADA in that case and she told me that she 'hasn't heard anything yet' and that she 'will call the atty and get back to me'. That was this past Wed. (April 7) and I haven't heard back from her, so I'm not sure what is happening with that case. I'll keep you updated when I find out more.
